The IDEAL VENUE
FOR YOUR SPECIAL DAY

W

ith various rooms and capacities to choose from, the Motorpoint Arena Cardiff is a blank canvas just waiting for a couple to come in and make it their own, with an 'anything goes' approach when it comes to personalising individual rooms. And when it comes to cost, it's both competitive and reasonable, especially when you consider the A-list stars to have previously graced the guest list for gigs.

Why not host your wedding where all the great artists have performed? Ever since local legend Dame Shirley Bassey took to the stage on the opening night, we've been hosting stellar performances from the likes of Sir Tom Jones, Sir Elton John, Iron Maiden, The Killers, Westlife, Oasis, Kings of Leon and Lady Gaga, to name just a few. And your wedding could be part of that history!

The Motorpoint Arena Cardiff is a multi-purpose venue, and aside from live music, comedy and world class sporting events, it hosts high-profile banquets, weddings and parties in its many function rooms. It's a unique space to host your special day, however large or small, and whether it's an intimate gathering or a lavish celebration you're having, we will happily create a bespoke proposal for your big day. Rooms available include the Main Arena, which has a minimum capacity of 400 and a maximum capacity of 1,200, Novello Langleys suite, which has a maximum capacity of 300, and the Conference Suites, which can cater for a maximum of 240.

If you want a city centre location but can't necessarily afford hotels' high price points, The Motorpoint Arena Cardiff is a viable option.

As for food, we provide inspirational menus offering a sensational and varied selection to entertain your taste buds.

We're also a popular venue for Asian weddings, as well as civil partnership celebrations.

We appeal to everyone, and we pride ourselves on the impeccable customer service we provide, from the moment you start planning your wedding to the big day itself.
