

FOUNDED BY TWO YOUNG EXPATRIATE AMERICANS IN LONDON IN 1971, HARD ROCK WAS A KIND OF ROCK 'N' ROLL EMBASSY FROM DAY ONE, A HOME AWAY FROM HOME FOR ROCK FANS AND ROCK STARS ALIKE.

With a total of 152 venues in 52 countries, including 126 cafes and 10 Hotels/ Casinos, Hard Rock International is one of the world's most globally recognised brands. Beginning with an Eric Clapton guitar, Hard Rock owns the world's greatest collection of music memorabilia, which is displayed at its locations around the globe.

The Ambassadors of Rock tour was created by Hard Rock as another opportunity to share that Rock 'n' Roll irreverence, passion and all-inclusive spirit – and to have a lot of fun.

2009 is Hard Rock's fourth year to rock London's Hyde Park and with past headliners Roger Waters, The Who, Peter Gabriel, Aerosmith, Eric Clapton and The Police there were some big shoes to fill. This year, The Killers, Neil Young and Bruce Springsteen and the E Street Band are willing to take on the challenge. The tour will make its way around the world, including shows featuring top artists in Dubai; New York; Biloxi; Tokyo; Los Vegas; Orlando; Caracas; Hollywood, Florida; Buenos Aires and Singapore. And, in keeping with Hard Rock's motto, "Love All, Serve All", local charities will benefit at every stop of the tour.
